# BID TO MOVE OIL PIPE FAILS

Altona Council has failed in its bid to divert a black oil pipeline which will run underground through Altona Meadows, a residential area.

The Minister for Fuel and Power, Mr. Balfour, had told a council deputation no step would be taken to amend the permit which had already been given to W.A.G. Pipeline Pty. Ltd. the Mayor, Cr. Lynch, told the council last week.

The pipeline will run underground from Westernport to Geelong via Altona. It will follow the same route as the existing black oil pipeline, laid by the Shell Company.

Mr. Balfour told the deputation that while it was appreciated that the council had a desire to take pipelines away from a residential area, W.A.G. Pipeline Pty. Ltd., had knowledge of the existing black oil pipeline and had expressed its desire to locate its pipeline in this area.

He said sympathy could be expressed to council's viewpoint. The department

had been through the exercise in 1964 and had gone through the process of seeking objections.

### RECONSIDERED

Council's deputation to the Minister comprised Cr. Lynch, Cr. Ian Stewart, city engineer Mr. R. C. Simmons and deputy town clerk, Mr. S. Fell.

Cr. Lynch said the coun-

oil had reconsidered its earlier decision in relation to pipeline location and asked consideration to the following:

● That the licence to allow the pipeline to be laid southwards along Victoria St. and westwards along Trafalgar Av. adjacent to and through what will be a densely populated residential area, should be reviewed and amended.

● That the amended route should be along the Geelong/Melbourne Railway line or thereabouts, in close proximity to other pipelines which go to the Geelong area.

● That the existing black oil pipeline, laid by

the Shell Company along the same route as allowed for W.A.G. should also be reviewed and the pipeline moved to a neutral pipe-rack area in vicinity of the Geelong/Melbourne Railway line.

Cr. Stewart acknowledged that a previous council had had the opportunity to lodge objection but had not done so.

Council also admitted that pipelines were the appropriate way in which to move any fluids, but that it was considered that the laying of pipelines through an area which would soon become populated, and particularly along a 66 ft. wide street which was to be lined by residences on both sides, should not be permitted.

The zoning of the area which council asked review of permit condition on was "Reserved Residential" and provided for some 2200 building allotments on an old subdivision with many more in Werribee Shire. The building construction had already commenced in this area.

Council submitted that the appropriate place for pipes was parallel to the Geelong Railway line in what could be called a pipe-rack which already carried a number of pipes including pipe which carried motor spirit and other volatile petrol ferous fluids.

The laying of large pipelines in a populated area brings an inherent danger to the area and the danger should be in a place where it could be more adequately controlled, if needs be," Cr. Stewart said.

## Mix-up over mail

Altona Council will write to the Postmaster-General's Department expressing concern that mail for Altona Meadows goes through Laverton Post Office.

The council decided to do this on the resolution of Cr. W. L. J. Crofts who said he was not happy at all Altona people should be attached to Laverton Post Office.

Cr. Crofts was commenting on advice from the PMG, that despite intensive publicity campaigns, 20 per cent. of the letters posted in Australia did not bear a postcode.

Reporting to council on a letter from the Australian Post Office, dep-

uty town clerk, Mr. Fell, said use of locality names which varied from the actual name of delivery centres caused delays in mail delivery.

He said the Australian Post Office had pointed out the importance of mail being readily identifiable with the delivery centre from which the delivery was made, if the mail was to be correctly circulated.

He continued "A suggestion made to the Australian Post Office, to include Altona Meadows 3028 in the postcode section of the telephone directory, was not favored by the Post Office because of the possibility of incorrectly addressed mail from people using the directory as an address book."

Mr. Fell added "This office is endeavoring to ensure that people who build in the area are aware of the correct postal address."

Looks like things are starting to swing once again in the Altona area. After two years of trying, Ray Evans of the Australian Entertainment Exchange has managed to start a discotheque dance at the Central Hotel.

It will run every Thursday night.

The gala opening on Cup Eve featured Doug Parkinson, Blackfeather and Atlas. Called Zeld's Barrel, the disco is the only licensed type in the western suburbs.

Also on the subject of entertainment. With Jim McEwen back from Scotland there is talk of ex-Altona pop group, The Brown-Eyed Hand-

some Jam reforming for a "one-night only" dance in Altona this summer.

## STAR GAZE

Been offered any quality womens' clothes on the cheap? If so, Altona Police would like to know about it, following the recent theft of \$4000 worth of womens' clothing from The Boutique in Queen Street. Altona police believe the theft of the clothes was almost a record.

The T.A.B. computer break-down last weekend, certainly had its effects in Altona. At the Pier Street T.A.B. the queue stretched out into the park almost.

Don Nicholls and Christine Heyen had perfect weather for their wedding last Saturday. Cabaret group, The Warehouse provided the music at the reception, at Altona Youth Hall.

Lost property department, Linda Forrester has lost one black gelding, 13 hands high. Anyone knowing the pony's whereabouts is asked to contact Altona Police.

## Downfall brought windfall

If Jenny Smith hadn't had appendicitis . . .

She wouldn't have had a doctor called Sinha.

And her mother wouldn't have gone down the street to buy her a book to read in hospital.

And she wouldn't have bought a Tatt's ticket.

And won the top jackpot prize of \$25,000.

But she did, and he is and she has.

Dr. Sinha operated on Jenny, 16, of Grieve Parade, Altona on the same day, last Friday, as her mother Mrs. Ena Smith, 38, bought the Tatt's ticket.

And Mrs. Smith named the ticket after the family's favorite doctor.

The Smiths are one big happy family, mum, dad, Frank, grandfather, Mr. Sammy Butler, six kids and a seventh due in March.

They aren't on the breadline, but they have had their struggles as any other family and as Mrs. Smith points out with seven to educate . . .

Mr. Smith is proprietor of the Ampol service station at the corner of Noor-denne Avenue and Millers Road into which a car

crashed out of control on Friday.

The family has lived in Altona for six years. They came from Rutherglen.

## Gardens praised

On the recommendation of Cr. Doug Grant, Altona Council has written to the management of three local factories, complimenting them on the floral displays in front of their plants.

The factories are owned by Australian Synthetic Rubber Co. Ltd., Australian Carbon Black Pty. Ltd. and Altona Petrochemical Co. Ltd.

"We have knocked these companies in the past on pollution and other issues," said Cr. Grant.

"Now we should thank them for this."

## Downfall brought windfall

Cont. from P.1.

The children are: Jenny, 16; Stephen, 10; Susan, 8; Dianne, 6; Robert, 3 and Jeffrey, 6.

Mrs. Smith says, "I expect we'll put it in the bank for a while, we have no immediate plans for its use, can you imagine me and all the kids trekking off on a world trip."

She said a bank representative had called round to see her, propositioning for her bank account, but she would stick with the bank she had always used. On the point of invaders, she said everyone had been very kind but she was worried about begging letters and phone calls.

The ticket was purchased from Gray's newsagency, which started selling Tatt's tickets only a month ago.

# Safety wins a ham

Employees at the Altona Refinery of Petroleum Refineries, Australia, have completed 200 accident-free days.

The refinery management is conducting a campaign with an aim to completing an entirely accident-free year.

This has been achieved twice before by PRA, once in 1959 and once in 1968.

All employees received a gift for their part in establishing the safety record.

The PRA management award a two-pound ham to each of the staff.

The General Manager, Mr. W. R. Yeo, says every employee can take credit for the present record.

Mr. Yeo says without the astute diligence on the part of the staff towards the possible dangers to workmates and themselves, the safety record could not be realised.

Some PRA employees are pictured here receiving their hams.

## Death of top footballer

A former top district footballer died recently aged 36. He was Fred Lang, of Allan Street, North Altona, the captain-coach of Brooklyn Football Club for seven years.

Fred Lang is a name that many supporters of football in the western suburbs will remember.

Fred was not only a star with Brooklyn, with whom he played 240 games, but played over 100 games with Parkside Football Club in the early 1950s.

He was a member of Parkside's premiership side in 1950 under former Footscray star and present day reserve eighteen coach, Len McCankie.

Fred then joined F and Y Socials, playing in two more premiership sides, before going to Newport for a season.

He returned to Brooklyn as captain-coach.

In 1962 he won their

best and fairest award — one of six he was to win.

He later was made a life member of the club.

Fred was a strong, heady player, with an entertaining personality.

He was invited to train at Footscray and was approached by Essendon, but preferred to stay with Brooklyn.

Fred leaves a wife, Judy (nee Roach).

His brother-in-law, Vic Roach, was a former captain of Footscray Cricket Club and is now captain-coach of Druids in the Sunshine and District Cricket Association.

## Overseas visitor

Overseas visitor Mrs. Mary Brennan arrived in Altona last week for a seven-week stay with the Mayor and Mayoress of Altona, Cr. and Mrs. Pat Lynch.

A native of Ireland, Mrs. Brennan from Sunbury in Suffolk, England is the sister of Mrs. Lynch.

Mrs. Brennan will stay with the Lynch family in Blackshaws Rd., until she returns to England in December.

## The rate notices are out

Council rate notices for 1971-72 will all have been posted by the end of this week.

Reporting to last week's meeting of Altona Council, Finance Committee Chairman, Cr. Les Crofts said the first posting of notices had commenced, and it was anticipated that they would all be out by the end of this week.

Cr. Crofts said council was continuing to give financial support to the Board of Works, with the object of expediting sewerage extensions throughout the municipality.

## District success in dancing

The Highland and National Dancers Association of Victoria recently conducted their Victorian Championship competition at the Methodist Church Hall in Altona.

Dancers from all over the metropolitan area and country districts competed.

One of the most successful dancers on the day was 10-year-old Anne Heriot of Karingal Street Altona.

Anne won the Junior Championship of Victoria, open to all dancers under 12 years of age, and also won the Metropolitan Championship for dancers between 10 and 12 years of age.

Three judges awarded Anne 5 firsts and three seconds in 8 dances.

Anne was last year beaten by 1/2 a point in the Metropolitan under 10

years, but previous to that had won the under 10 years once and the under 8 years twice.

She is taught by Mrs. Passmore of Essendon who conducts classes at both Essendon and Altona.

Other successful pupils were Julie Frazer (Metropolitan under 14 years) and Mandy Knox (Country under 14 years).

Several other local pupils who gained placings in dances were Lee and Donna Anton, and William Abella all from Laverton and Janice Brown, Robyn and Leanne Campbell of Altona.

Dances taught include Scottish and Irish.

## 'Littlies' seek world record

On Saturday, November 20, the Altona Little Athletic Centre will hold a six-hour relaython at their ground in an effort to create a world-record distance.

At the same time, they'll be trying to raise money for the Royal Children's Hospital. The competition will be run simultaneously throughout Victoria with 10,000 children from State-wide Little Athletics centres taking part. In Altona, the team members will run around a circular track with a baton. Each child will be sponsored by friends, parents, neighbors and business houses to raise money for the hospital appeal. The Victorian Little Athletics Centre has de-

A top American oil company executive paid a flying visit to the Altona branch of Petroleum Refineries (Australia) last week. Mr. Ken Singer of Mobil Oil (New York), was in the district to discuss technical and process advances made by PRA at Altona. During his visit, Mr. Singer expressed the view that experience at present being gained at Altona could be put to world-wide advantage. Apart from examining the Altona plant, Mr. Singer was flown over the Altona and Williamstown areas to obtain a birds-eye view of the geographical lay-out. A keen golfer, he commented on what he described as the excellent lay-out of the Altona golf course. He is pictured at PRA (centre) with left to right: Len Spong, Tony Negretto, John Gregory and the Managing Director, Mr. S. W. Thomson.

Val's Column

Hello Girls,

We have just received our consignment of the new Air-Spun make-up from Coty.

A completely new make-up in a moderate-medium price range.

Superlative products, well presented: be a proud owner. Easy to choose from — only four products, only 4 shades. Air Spun is newly created by Coty for the woman who wants subtle, extra coverage that stays looking fresh. Never oily, never streaky and never cakey. Delicately shades and protects the skin, discreetly conceals and subtly veils imperfections.

Air Spun have a fluid make-up — moist protection erases flaws with extra concealing coverage. Matte Make-up — in a tube — subtle extra covering matte film discreetly veils imperfections and lines for all day matte finish.

Compact powder and refill — fashions newest pressed powder that will not harden or change color. In the four basic shades — or transparent.

Finishing powder. Delicate, finely sifted face powder superbly light, yet perfect cover up. Very fair and light skins have Fair Spun; too rosy or florid a complexion can tone down with Beige Spun. Sallow or olive complexions — add candle-glow warmth with Amber Spun.

For suntanned complexions — enhance golden skin tones with Sun Spun.

You must look Coty over — at these prices.

Today, eye shadows are an all important, every day part of make-up — for all of us.

Maybe you only use a little, but doesn't it flatter? It can be used to minimise shortcomings of less than perfect eyes.

Try the new Cyclax tube Eye-Shiners when you come in.

Color-lift your eyes with one of these six soft, smokey glosses. Co-ordinate one to another to match your eyes, or summer clothing. The tube is so easily carried; only releases as little as you need to apply over a dry eye lid. Now, a soft shiny eye.

Have you enquired about our Amcal Gift Vouchers yet? It saves the worry of buying.

Bye.

## APPRECIATION

Members of the Beta Sigma Phi Xi Mu Chapter have expressed their thanks to Altona Council for the use of the Civic Hall during their recent art exhibition.

North Altona girl Margaret Zolnai is in love with life.

And she condemns those who sit around complaining about having nothing to do, or see, or be.

Margaret is the new Miss Footscray.

She can best be compared to a glass of Alka-Seltzer, crystal clear, effervescent and bubbling over.

But she differs in that she never goes flat.

Margaret exudes happiness and warmth and radiance wherever she is and in whatever situation.

Her selection as Miss Footscray is a typical example.

The girl was genuinely amazed at her win, much to the delight of the audience.

But she thanked the judges for a job well done, which brought the house down.

Afterwards a rather red faced Margaret said she didn't really know what she had said until a friend told her with relish.

Margaret has just had her 19th birthday she lives with her parents and younger brother Frank at their home in Begonia Avenue.

She is a Hungarian girl but spent much of her life, in Banat, Yugoslavia, until the family came to Australia seven years ago.

She says that she cannot remember many differences in the life there, to that in Australia with one noticeable exception.

And that is the prob-

lems which the family faced through a determination to practice their Roman Catholic faith.

She shrugs this off and says that the money received from her win as Miss Footscray will go into the bank as a start for her savings to go overseas.

It's England or bust in two years as far as Margaret is concerned and yet she will visit Yugoslavia while she is there.

"But not for too long, it would make me feel too sad, the people there are so very poor and I always feel that it is unfair for us to have so much and them to have so little."

Margaret is fascinated by fashion, adores the hot pants look and already has seven pairs.

It was a pair of hot pants that helped carry her to her win on Thursday night when she walked down the cat walk in black split maxi revealing black hot pants. Her black stockings, gloves and shoes were given relief with a tiny silver two pearly brooch — a present from her mother.

She has worked in a fashion house in Richmond and at present works for Morgan Gunn, Real Estate agent in Newport.

She is assistant pro-

On Saturday she was at a bumper size birthday party in South Melbourne. The party was to celebrate her 19th birthday, her brother's 17th birthday and Dennis Dunstan's 18th birthday. Dennis is drummer with Total Fire Band (Margaret was their fan club secretary). There were 68 guests at the party at which "TFB" played.

## Notice to Electricity Consumers

## OPERATION OF TIME SWITCHES

The State Electricity Commission advises electricity consumers that time switches will not be altered following the introduction of "Summer Time" in Victoria on 31st October.

This means that supply to consumers under "Off Peak" or "Night Rate" tariffs will become available at the lower rate one hour later under Summer Time. For example, a storage water heater which normally switches on at 11 p.m. and off at 7 a.m. Standard Time will operate between 12 midnight and 8 a.m. Summer Time.

The "Off Peak" and "Night Rate" tariffs to which the above applies are:

Tariffs 'I', 'IS', 'Y', 'YS', 'J' and Option II of Tariffs 'B', 'C', 'D', 'E', and 'N'.

## Elderly citizens

The monthly birthday and concert party was held on Wednesday, October 25.

Mr. James Stryker, a Scottish singer, entertained and Cr. C. Carlson and his wife, Margaret played an organ and piano duet.

Four club members who performed were Mrs. Itter, Mrs. M. Pugsley, Mrs. T. Hope.

Special effort winners were Mrs. E. Pearce, and Mr. C. W. Hanson.

Mr. W. Swift passed away last week.

The club wishes a speedy recovery to Mr. J. Sutton and Mr. N. Drysdale who are ill in hospital.

Mrs. Milner and the club's eldest members, Mrs. E. Fontaineau and Mrs. H. Woodyard have improved and feel better.

## Wheels stolen

Cab driver, Mr. Norman Vogan, of Central Ave., has reported the theft of two black Falcon wheels and two new recapped tyres and tubes from his backyard shed.

Mr. Vogan told Altona Police that the offenders had entered his open shed between 5 p.m. on Sunday, October 24 and 12.5 p.m. on Tuesday, October 26 and taken the 14 - inch wheels and Olympic tyres.

He said five other tyres and wheels and other valuable equipment had been left untouched.

Constable T. M. Stephens is investigating.

## A 'STEAMER' PICNIC DAY

Approximately one thousand children and parents boarded two steam trains last Tuesday, Cup Day, to travel to Woodend Racecourse for a Sunday School Picnic.

These people represented thirteen Sunday Schools from five districts in the Western Suburbs made up of seven different Christian denominations.

The steam trains were provided by the Railway Historical Society, and left from the Altona and Williamstown railways stations.

The picnic follows on a highly successful one carried out last year by three Sunday schools in the Altona district.

On this occasion many people ran out of their houses to see the steam train. Many young people on the train, even those in their early teens, had never been on a steam train before and it was quite an experience for them.

# ● DRIVING SCHOOL: ALTONA COUNCIL TO MEET POLICE, RACV

Altona Council will meet with members of the Victorian police Force and representatives from the R.A.C.V. and National Safety Council on Monday, November 22 to discuss council's proposal to sponsor a driver education school.

At last week's council meeting, Cr. Les Crofts moved that council invite these members to hear council's proposal and give their own views.

Cr. Crofts said he had talked with Mr. Frank Harris of the National Safety Council who had said he would be happy to co-operate with council.

Commenting on the successful motion, Mayor of Altona, Cr. Pat Lynch said

he thought the spirit of the motion was in excellent order.

## No more signs for Cellars

On the recommendation of building inspector, Mr. A. Beech, Altona Council has refused an application from Neon Electric Signs Ltd., to erect a five ft. diameter illuminated circular sign to the front gable of the Altona Cellars building on the corner of Pier St. and Blyth St.

Reporting to council, Mr. Beech said: "A previous application to install a revolving sign of the same dimensions above the roof of the property was refused by me in line with recent decisions of the council regarding sky signs in Pier Street."

"The amended application submitted shows that the sign positioned as shown on the application could not be classified as a sky sign, and therefore could be approved."

"At the present time the Altona Cellars have five separate signs, one of which is a combination of three signs containing three separate advertisements, and in my opinion no additional signs should be permitted to be displayed on this building."

Mr. Beech recommended that the application be refused as the existing signs provided adequate adver-

Thieves broke into the Altona Workmen's Club for the second time in a fortnight last Wednesday night, and stole two dozen bottles of Starwine.

The theft is believed to have occurred between 12.20 p.m. on Wednesday and 8.50 a.m. on Thursday last when the offenders smashed a window at the side of the building to gain entry.

Altona Police believe

that there were at least two offenders who parked their car at the rear of the club and took the stolen goods over the back fence.

Constable T. T. Hayden attended.

## BIKE STOLEN

Altona schoolboy, David Alder, lost his new red "Fireball" bicycle last week when it was stolen from the bicycle rack outside Altona Library.

The bicycle, with Marlon Brando type skid bars and rear roll bar attached to the seat was stolen between 6.30 p.m. and 7 p.m. on Monday, October 25, while David was in the library.

Altona police are investigating.

## Acknowledged

Altona Council has received a letter from the Chief Secretary's office acknowledging council's letter on behalf of the City of Altona concerning the establishment of an authority to control boating operations.

Under Secretary, Mr. J. V. Dillon wrote to advise council that its views have been noted and would receive consideration.

## BIG BARBECUE?

Meat thieves stole \$176 worth of meat, butter and eggs from a Pier St. butcher's shop last Wednesday night.

The theft occurred between 5.30 p.m. on Wednesday and 7.45 a.m. on Thursday last when thieves gained entry to Brander Meats Ltd., by forcing the fly wire on an open side window.

Locks on a refrigerator door were forced so that the meat could be taken.

The butcher was insured for the loss.

# CHILDREN HELPED TO BEAT ASTHMA

Stephen lies huddled on a corner of his bed.

His chest feels like it will burst as he gasps for air and strains to force a passage down to his lungs.

He clutches the pillow tightly, tries not to move.

A million thoughts race through his brain in a mad frenzy of panic.

Stephen is all alone. Nobody can help.

Every muscle in his body is taut as he fights for his next breath.

He prays for some miracle to open up his throat and let the fresh air rush through.

Stephen is only seven.

He can't understand.

He can hear the sound of his friends in the park nearby.

It's a sunny day, but Stephen's little world is dark.

And there's nothing he can do except keep fighting.

Stephen is one of thousands of children in the western suburbs who suffer from asthma.

His parents have been told of many different ways he can be helped.

But it seems hopeless.

Perhaps they can't afford the best care; perhaps they're not sure who to ask.

One way Stephen could be helped is by strengthening his chest muscles, teaching him him to control his breathing.

This is the type of work done by the Western Suburbs Asthma Swimming Auxiliary.

Many parents of asthma sufferers don't know that specialised instruction is available free of charge.

The scheme was started at the Footscray heated indoor pool in November last year, with the assistance of the Footscray city council.

Nine pupils were in the original class, but the number rose to 24 in the first six months.

Twelve children passed their Herald swimming certificates and several are progressing to higher awards.

The classes have proved beneficial to the children.

A skilled physical

therapist, Mr. Ron Roberts, supervises the lessons, which are held each Saturday morning between 9 a.m. and 10 a.m.

Office-bearers of the auxiliary are: President, Mrs. A. Dawson, of 14 Metherell Street, North Sunshine; secretary, Mr. Cec Sargent, of 28 Albion Street, West Footscray; treasurer, Mr. Graham, of 18

Kaye Crescent, Laver-ton.

Information about starting a child in the classes can be obtained from these people.

A special meeting will be held at 28 Albion Street, West Footscray, at 8 p.m. on Thursday, November 4.

Anyone interested will be made welcome.

How about giving your child the chance he or she deserves?

## In your time— —A GUIDE TO LEISURE

By Peter Vaughan

Two films currently showing in the city highlight the gap between different cultures. One is set in the American past, the other in present day Australia.

Both carry a significant message but one manages to convey it better than the other.

### "WALKABOUT"

(Cinema Centre 1, 140 Bourke St.) spans Australia from the frustration and grind of the city to the purity and timelessness of the desert.

Two school children (Jenny Agutter and Lucien Roeg) are taken by their psychologically disturbed father from the city to the desert where he intends to kill himself and them.

He suicides but they escape and so begins their journey back to civilization.

In the desert they are facing death until an Aboriginal youth on walkabout (David Gumpili), finds them and delivers them back to the settlement.

On the way friendship grows between the three and there is even a hint of love between the youth and the girl which because of the cultural gap separating them ends tragically if not realistically.

The film is beautifully photographed to the extent that one feels the outback is the real star of the film and it does look at the prob-

lems of cultural difference and the choice between city and country but somehow it just doesn't come off.

Too much of the film is skimpy and drawn out and the limitations set by the plot are never really overcome, so that a film which could have said so much achieves something less.

On the other hand "LITTLE BIG MAN" (Rapallo, 11 Russell St.) starring Dustin Hoffman, as the white man who becomes an Indian and vice-versa throughout the film, really gives the feeling of the futility of one race dominating another because it points out in many subtle, humorous and sometimes brutal ways the endless cruelty of men towards each other.

That the film (in contrast to TV) comes out on the side of the Indian says little for the white man and we all end up cheering for the "human beings" (as the Indians ironically call themselves) when General Custer is wiped out.

However their victory is hollow for gradually the Indian is pushed back into the reservation to live out his days, a mere shadow of the warrior who roamed the plains.

What this film has to say (and says so well) is vitally relevant to us all today.

## The Luck of the Irish

Altona's Irish-born Mayor, Cr. Pat Lynch, had the luck of the Irish at the recent Altona North Primary School Committee dance at Shirley Park Receptions.

His wife, the Mayoress, Mrs. Bridie Lynch was asked to draw the winning ticket in the school funds raffle. Mrs. Lynch accepted the offer and surprised everybody, including Cr. Lynch, when she drew one of the tickets he had bought.

And what was the prize? You've guessed it — beautiful Irish linen tableclothes and serviettes.

Cr. Lynch and his wife were official guests at the school committee dance.

# Newport XI in strong position

**Opens Ray Bamford (19) and Roly Nicholson (56) put together 80 runs in long stand against Bentleigh in ideal conditions last Saturday.**

The opposition bowlers stuck to their task well in the heat and the batsmen found runs hard to get as the side was all out in the last over of the day for a solid 183 runs.

Ron Clarke, 16, was batting well until unluckily dismissed, and J. Fowler continued his good form with the willow to finish with 47 not out.

A most interesting finish seems likely next week as Bentleigh have a powerful batting line-up.

### 2ND. XI.

Newport's batsmen wasted a great opportunity to make a big score when they were bundled out for a meagre 85 under perfect batting conditions at home last Saturday.

Only Bill Harrison (19) and John Raffles (12) and Neil Doulen (11) reached double figures in a most disappointing display.

In reply Bentleigh are well on the way to victory and finished with 2/67 at stumps.

G. Mologousis 1/17 and G. Clark, 1/24, were successful bowlers for the locals who let themselves down with a poor display of fielding.

### COLTS.

Williamstown Colts could only muster 72 in their first innings, with Arch Lloyd 2/32, Bill Fowler 1/15, giving skipper Geoff Walsh, 6/22, solid support.

Newport's turn at the crease was a bit of a procession as they were shot out for 35, with Max Healey making 10.

Trailing by 30 in the first innings, Newport have an outside chance of saving the match as the Colts slumped to 5/40 in their second innings, with G. Walsh completing a fine day's bowling to finish with 3/15, and young Billy Fowler captured 2/12.

# Lacrosse team to play in South Aust.

**On October 22, a combined Newport/Footscray Womens Lacrosse team left Melbourne to play in South Australia.**

They played Brighton, the runners-up in the South Australian Women's Lacrosse Association, on Sunday, October 24.

After a hard-fought game the score was four-all.

Many players starred including goalie Denise Wells who stopped many well placed shots from South Australia's top forwards.

Denise proved she is truly worthy of the honor bestowed on her earlier this year as the Victorian association's best and fairest player.

L. Watson and R. Berryman played a tight defence and were aided by V. Gee and D. Hannan, turning out many of Brighton's attacks.

J. Gammon, showing plenty of pace, left the South Australian defence standing still.

C. Connell's smart under-arm goal levelled the score.

Socially, it was a beautiful weekend with many new friendships beginning and an invitation was extended to Brighton to play in Melbourne next year.

Goal-throwers: K. Pearson 2, T. Riddell 1, C. Connell 1.

Best players: D. Wells, D. Hannan, L. Watson, K. Pearson, J. Gammon.

# 'Cow Paddock' stopped play

**Cow paddock conditions at Oakleigh prevented play in the Williams-town - Oakleigh game on Saturday.**

The outfield was in the process of being top dressed and the wicket was soft and corrugated along the surface.

The game will now become a one day affair — if play is possible next Saturday.

An official complaint will be made by the Williamstown Club.

The seconds were sent in to bat on a good strip at Williamstown.

But the move paid off for Oakleigh's skipper when Williamstown were dismissed for a meagre 30. Among the runs were B. Park (26), Skillen (24), Bowyer (15) and McTaggart (13).

At stumps, Oakleigh had already established a first innings lead.

Lack of concentration in the field resulted in several missed chances and Oakleigh reached 126 for the loss of seven wickets.

Best of the bowlers were Norm Shaw (3/15), Kevin Tweedley (2/27) and Peter Bowyer (1/29).

The thirds won the toss

and had no hesitation in batting in a two day match against arch rivals, Preston, at Fearon Reserve.

Wickets fell steadily until the score reached 7/92, when a fighting partnership by 15-year-old Ron Shaw (28) and John Becroft (43) added 54 runs and gave Williamstown a respectable total.

Thirteen-year-old Trevor Smith (14 n.o.) and Frank Raeside (11) added a further 26 for the last wicket.

But the score could have been well above 200, because most batsmen played poor shots to get out.

Other batsmen among the runs were Peter Thatcher (26) and "Spike" Harris (28).

At stumps, Preston had reached 2/43 in rather shaky fashion.

The game is in the balance, with Williamstown needing a quick breakthrough if it is to beat its arch rival.

# TENNIS OR THE VIEW?

The Port Phillip Authority has refused the Liston-Esplanade Tennis Club permission to rebuild its pavilion and extend the courts in the vicinity of the Commonwealth Reserve in Nelson Place.

The Port Phillip Authority has been set up by the State Government to look after foreshores and bay and preserve them to the best public advantage.

In a letter to the council last week, the tennis club said the refusal was a bitter blow to the club.

It meant that the club would no longer be able to field teams at the reserve in the LTAV winter penant competition.

As a direct result of this, membership would fall.

It would also mean that the club could not play its part in beautifying

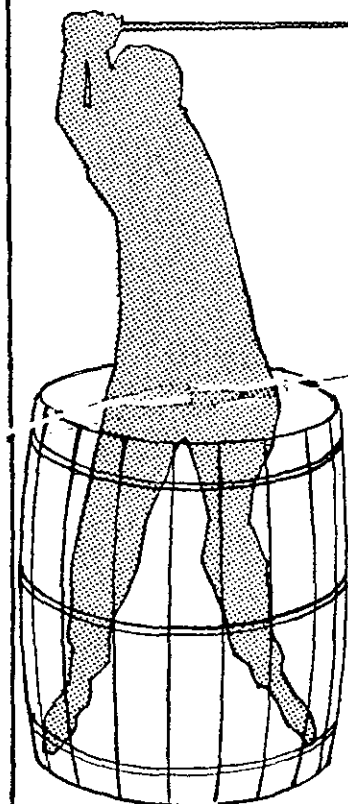

Williamstown.

A further letter was also received from councillors of the Lawn Tennis Association of Victoria expressing grave concern at the decision of the Port Phillip Authority.

Williamstown Council agreed to meet representatives of the club.

## SWAYING ROBS POWER

One of the key reasons that golfers on the pro tour consistently hit the ball so much farther than the average club player is because the touring pro seldom sways. He tries never to slide his body to the right on his backswing, or to allow his head and shoulders to slide to the left on his downswing. He knows that swaying will rob his swing of much of its power.

I think that the average club golfer will add distance—I know he'll become more accurate—if he can avoid swaying.

I suggest you imagine swinging while standing in a barrel, as I am shown doing in the illustration. Try to avoid letting your body hit the sides of the "barrel."

Altona score well in cricket round

Altona won the toss and batted on a good wicket at Grant Reserve last Saturday.

Jim Joyce and Bill Bibby opened the innings and followed their opening stand of the previous week of 71 with an opening partnership of 97 in 86 minutes.

Bibby was first to go, only to be followed in quick succession by Allen and Evans. Altona, after a good start were 3/107.

Joyce, after a good innings of 66 was caught at 112 and the job of consolidating the innings was left to Hosken and Wilson.

They added 21 runs before Hosken was out, caught and bowled.

Peter Carton joined Wilson and in 29 minutes added 34 runs and with the score at 170, Altona's innings was declared.

Leaving Hakoah just over an hour to bat.

Conradi quickly broke through taking a wicket with his fourth ball, Healey from the opposite end took some time to settle down, but in his third over claimed two wickets to have Hakoah 3/37.

Carton relieved Healey and Hosken relieved Conradi, Hosken claimed the fourth wicket of the innings right on stumps to have Hakoah 4/55.

Provided Altona can break through early next

# 'Grand final' for soccer

A fitting end to a wonderful season was the party at the Altona Soccer Club rooms, for the Altona Schools' Soccer League.

Almost 200 players from the eight teams celebrated after the presentations of best and fairest and league cups with a party financed with money raised in the canteen and special efforts by

the mothers' committee. Winner of this year's cup were Altona East, in a runaway victory. They were undefeated and had only one goal scored against them all season. Altona's Mayor, Cr. P.

Lynch, presented merit certificates and shook hands with all 135 of the recipients.

## Winners

Well known builder and soccer patron, Mr. Louis Noordenne presented the trophy and the medals to all the best and fairest winners from each team.

The winners were: Altona East, Y. Gavranic, A. Davidson, tied on 25 points; Seaholme, M. Sargent; St. Mary's, D. Rafferty; Altona West, S. Rodger; Altona North, V. Mattino; Brooklyn West, Latos Toth; Brooklyn, A. Micevski; Altona, S. Morris.

## Coaches

The coaches were then presented with individual trophies.

They were: Altona East, F. Simitriou; Seaholme, V. Vella; St. Mary's, S. Dely; Altona West, C. Pisani, M. Ritchie; Altona North, I. Jackson; Brooklyn West, I. Reid; Brooklyn, B. Abbot; Altona, B. Chamberlain.

During the ceremony a special thanks was given to the committee, especially M. and L. Roberts and Mr. F. Walsh.

# Commodore still tops

The Commodore of the Williamstown Sailing Club, and top Mirror skipper, Doug Keating, returned to racing with a flourish at the weekend to win the first heat of the club championships.

It was no easy victory for Doug as he and crew, Peter Dingey, were forced to duel with the Foord brothers, also of Williams-town, over the entire two laps of the course.

Doug in his immaculate Janet B set the pace for a fleet of 11 Mirrors in division two followed closely astern by John David Foord.

Janet B and the Foord's Firebrand swapped the lead several times through the race but Doug managed to blanket Firebrand on the final reach, catch-

ing a breeze and winning 30 second lead.

Third was the much-improved husband and wife team of Bill and Vera Volmer in Vicki, making up ground in the closing stages to finish 54 seconds behind.

The Volkmer's fine performance in the light conditions has won them third place in the club's third aggregate championship.

First in the aggregate — a handicap event — was Ravin, skippered by Brian McMahon and crewed by G. Dalton. This is the second of the aggregate events won by Brian, an outstanding performance.

His handicap is now dropping fast however and future wins will be harder to accomplish.

The first division of club championships for Kitty Catamarans was won by Steve Lanyon in Hustler.

Steve finished over 2½ minutes ahead of Vampire II with Garry Green at the helm.

Steve's brother Geoff came third in Bagherra. The Arfura catamaran division was won by Graff, skippered by Geoff Pearl. Nussing, Mike Loxter, was second and Wildcat, Jeff Winter, was third.

# Altona in outright fight

Altona are struggling to stop Kingsville Baptists gaining an outright victory in their two-day game at Altona High School.

Key to Kingsville's success was bowler Amiguet, who took four for 10.

At one stage he was at four for one. He took his first two wickets with his fourth and eighth balls and his last two on the 17th and 18th.

Altona Combined Churches weaver dismissed for 120. Top

scorer was G. Nicholls with 31. Altona's J. Martin took three wickets for five runs in Kingsville's innings.

Details: ALTONA 1st innings.
